LEGACY GROWTH

This year, Legacy saw amazing growth and continued provision from the Lord. Our grade school enrollment doubled and we added two staff members.

FACILITY UPDATES

Many projects were under way all year at Legacy. With the Loving Care Daycare moving into Trinity Church, LCS gained access to the entire school building in September of 2023. We are so thankful for the volunteers and donations that made these projects possible:

- Daycare classrooms cleaned up and designated for library, a spare pull-out room, and storage.
- Cafeteria & kitchen clean up and use
- Parking stalls numbered and painted
- Installation of new sound system for the gym
